

CANMEC

GROUP

CANMEC GROUP

THE CANMEC GROUP, THROUGH ITS AFFILIATED COMPANIES :

CANMEC Industrial

LAJOIE SOMEC Construction

CANMEC Pulp and Paper

provides engineering, manufacturing, installation and construction services to the industrial sector. The professionalism and expertise of these three companies, brought together under the CANMEC Group's banner, ensure complete satisfaction of our customers, by offering a wide range of solutions from the manufacturing of mechanical components to complete turn-key projects.

Following a strict strategic development plan since its beginning in 1988, the CANMEC Group has now over 400 employees. Our engineers, technicians, draughtsmen, welders, machinists, and mechanics combine their expertise and talents to offer high quality products and services in accordance with ISO 9001 : 2000 standards.

AFFILIATED COMPANIES

CANMEC Industrial Chicoutimi, Quebec

Specialized in large mechanically welded projects, CANMEC Industrial is recognized as a leader in engineering, machining, manufacturing and installation of high quality metallic components and industrial equipment for the heavy industry.

LAJOIE SOMEC Construction Chicoutimi, Quebec

LAJOIE SOMEC Construction has developed an expertise in industrial mechanical engineering, civil engineering and industrial piping. Although specialized in industrial construction, LAJOIE SOMEC also provides engineering, manufacturing and installation services to the industrial sectors.
